*All dates and locations are subject to change. Please email if you have any questions.

Training includes sighting in, beginner instruction, open practice under supervision, safety and shooting technique instruction with novelty 'fun' shooting events.

We actively encourage our juniors to participate in other shooting disciplines that hold regular sessions within the Majura shooting complex. This not only ensures the future of our sport but encourages them to become lifelong club shooters. Many of our volunteers shoot different disciplines so feel free to ask them any questions you may have.
